Practice Exercises

4(3) Biography: Exercise A

1879	1884	1900	1902
		2000	

Fill in the blanks with the prepositions in, at, or to

Example: Einstein was born <u>in</u> Germany.

1.	He attended schools Germany and Switzerland.
2.	He got a job (or) the patent office Bern, Switzerland.
3.	In 1914 he moved Germany and became a professor the University of Berlin.
4.	In 1933, he moved the United States.
5.	He lived the United States from 1933 until his death.
4(3	3) Biography: Exercise B
Fil	l in the blanks with the past tense form of the verb in parentheses.
Al	bert Einstein (be born) in Germany in 1879. When he (be) five
yea	ars old, his father (show) him a compass. Young Einstein (be)
int	erested in how it worked. After that he (become) interested in science.
Eir	nstein (like, not) to work on his own.
In	1900 he (graduate) from a University in Zurich. Two years later, in 1902, he
(ge	et a job) for the first time.
Fro	om 1902 to 1909 he (work) in the patent office in the city of Bern. During that
pei	riod he (make) several great discoveries.

4(3) Biography: Exercise C Match the dates on the left with the time expressions on the right. Example: c. in 1902 when he was 23 a. in 1884		P	ractice Exercis	es		
Match the dates on the left with the time expressions on the right. Example: c. in 1902 when he was 23 a. in 1884	4(3) Biography: Ex	ercise C				
a. in 1884 1 when he was 21 b. in 1900 2 three years after he started working in Bern c. in 1902 3 when he was five years old d. in 1905 4 when he won the Nobel Prize for physics e. in 1919 5 when he married for the second time f. in 1921 6 two years after he graduated 4(3) Biography: Exercise D Fill in the blank with a word from the list. from for until during by Example: 1884 to 1900 Einstein attended school. 1 1902 to 1909 he worked at the patent office in Bern. 2 that period he made several great discoveries. 3. He worked at the patent office seven years. 4. He lived in Germany 1933, when he moved to the U.S. 5. From 1933 his death, Einstein lived in the U.S. 6 the last years of his life, Einstein continued to study physics. 7 the time he moved to the US, he was quite famous.	Match the dates on t	he left with th	ne time expression	s on the right.		
b. in 1900	Example: c. in 1	902	_c_ when he was	23		
c. in 1902 3 when he was five years old d. in 1905 4 when he won the Nobel Prize for physics e. in 1919 5 when he married for the second time f. in 1921 6 two years after he graduated 4(3) Biography: Exercise D Fill in the blank with a word from the list. from for until during by Example: From 1884 to 1900 Einstein attended school. 1 1902 to 1909 he worked at the patent office in Bern. 2 that period he made several great discoveries. 3. He worked at the patent office seven years. 4. He lived in Germany 1933, when he moved to the U.S. 5. From 1933 his death, Einstein lived in the U.S. 6 the last years of his life, Einstein continued to study physics. 7 the time he moved to the US, he was quite famous.	a. in 1884	1	when he was 2	1		
d. in 1905 4 when he won the Nobel Prize for physics e. in 1919 5 when he married for the second time f. in 1921 6 two years after he graduated 4(3) Biography: Exercise D Fill in the blank with a word from the list. from for until during by Example: From 1884 to 1900 Einstein attended school. 1 1902 to 1909 he worked at the patent office in Bern. 2 that period he made several great discoveries. 3. He worked at the patent office seven years. 4. He lived in Germany 1933, when he moved to the U.S. 5. From 1933 his death, Einstein lived in the U.S. 6 the last years of his life, Einstein continued to study physics. 7 the time he moved to the US, he was quite famous.	b. in 1900	2	three years afte	r he started wor	king in Bern	
e. in 1919 5 when he married for the second time f. in 1921 6 two years after he graduated 4(3) Biography: Exercise D Fill in the blank with a word from the list. from for until during by Example:From 1884 to 1900 Einstein attended school. 1 1902 to 1909 he worked at the patent office in Bern. 2 that period he made several great discoveries. 3. He worked at the patent office seven years. 4. He lived in Germany 1933, when he moved to the U.S. 5. From 1933 his death, Einstein lived in the U.S. 6 the last years of his life, Einstein continued to study physics. 7 the time he moved to the US, he was quite famous.	c. in 1902	3	when he was fi	ve years old		
f. in 1921 6 two years after he graduated 4(3) Biography: Exercise D Fill in the blank with a word from the list. from for until during by Example: 1884 to 1900 Einstein attended school. 1 1902 to 1909 he worked at the patent office in Bern. 2 that period he made several great discoveries. 3. Practice Exercises

4(3) Biography: Exercise E

Fill in the blank with a word from the list.
how that why who when
As a child, Einstein became interested in a compass works. He wondered the
compass needle always pointed in the same direction. After, he became interested in
science. In 1905, he was twenty six, he published several important papers. In one paper
he showed mass and energy are related. He also showed no particle can trave
faster than the speed of light. During the last years of his life, Einstein continued to study physics
People knew him, said he was a great man. He always wanted to understand the nature of
our universe.
4(3) Biography: Exercise F
Write the question (Q) that fits each answer, (A).
Example: Q: When were you born? A: I was born in 1984.
1. Q: When
A: I started working there two years ago.
2. Q: How long
A: I worked there for about three years.
3. Q: How old
A: I graduated when I was twenty years old.
4. Q: How old
A: We moved to Brazil when I was five years old.
5. Q: Where
A: I was born in Toronto, Canada.
6. Q: What
A: My father was a pilot.
